Source: BlackRock, as of 9/30/20. iShares is the largest provider of exchange-traded funds based on number of ETFs offered globally and assets under care. The Overall Morningstar Rating for a fund is derived from a weighted average of the performance figures associated with its 3-, 5- and 10-year (if applicable) Morningstar Rating metrics. Ratings are based on risk-adjusted total return, determined monthly and subject to change. Of the 108 BlackRock open-end mutual funds eligible for rating, Morningstar has rated 44 funds with 4 stars, and 19 funds with 5 stars, based on Institutional share class. Past performance is no guarantee of future results.

# BlackRock is leading the way to a better financial future
